FOR IMMEDIATE RELEASE

State Route 29 - Channelization Project - Napa County Updates Friday July 24 until Friday July 31

NAPA COUNTY – Caltrans and local stakeholders are continuing construction of the State Route 29 (SR-29) Channelization Project in and near St. Helena in Napa County.

Daytime work - starting Friday July 24

Starting Friday July 24 until Friday July 31, crews are scheduled to perform daytime excavation work on the highway shoulder of northbound and southbound SR-29 between Whitehall Lane and Stice Lane. Additional work includes installation of waterlines and underground electrical work. Daytime operations will occur Monday through Friday from 7:00 AM until 3:30 PM. No lane closures are scheduled for daytime work. Utility companies will also perform daytime work in the area related to the project.

Nighttime work - starting Friday July 24

Starting Friday July 24 through Friday July 31 crews will perform nighttime asphalt paving on the shoulder of northbound SR-29 from Zinfandel Lane to Stice Lane.

Nighttime operations will occur Monday through Thursday from 7:00 PM until 6:00 AM the following mornings. Friday work will occur from 7:00 PM until 8:00 AM the following morning. Motorists may encounter delays as crews alternate northbound and southbound traffic on SR-29 onto one lane through the construction zone. Motorists should watch for flaggers. CHP will assist with directing traffic.
